C O N I S T O N

## Welcome to THE SUN CONISTON - bar, diner & 4 star inn

You can find us in an enviable location - under the mountain and over the village that nestles on the shores of Coniston Water. There has been an Inn here for over 400 years so we know what the secret of a great pub is - good beer, quality food & a friendly atmosphere. With a 4 Star Inn rating, we must be doing something right!

**bar** At the heart of The Sun is a seriously good pub! It has bags of character with exposed beams, stone walls & floors and a bar top made from local Brathay slate. The welcome is always warm, likewise the "Victorian" range which heats the water for the whole place. The newly created Boatroom honours The Sun's history with Donald Campbell with a display of unique, original photos from his speed attempts over the years.

Perhaps more importantly we never forget what makes a bar great and that's down to up to 8 real ales on tap, 4 draft lagers, 20 plus malt whiskeys and choice of fine

**diner** We don't do trendy food with fancy names that leave you guessing what you've ordered. Our aim is good honest, quality food that offers great taste and value. We live in a fantastic part of the country and our enthusiasm for it's wonderful produce is reflected in the food we create. Whenever possible we insist on sourcing our produce from local suppliers, especially our fantastic locally reared meat and virtually everything is homemade and cooked to order especially for you.

The food can be enjoyed pretty much anywhere you want - from the relaxed surroundings of the bar to the beautiful conservatory. We also have an extensive wine list to suit every meal and occasion.

**4 star inn** Our bedrooms don't have huge flat screen TV's\* with satellite and computer games (well we do have discreet TVs with Freeview), but if you need something to look at, gaze out of the windows - we do recommend the wonderful views!

The bedrooms do however, have extra thick mattresses & quality comforters, for a good nights sleep and our bathroom and bedrooms are stocked with essential comforts to make you feel right at home. Just what you need after a long hard day spent on the fells or in the bar! Complimentary WiFi access is available to all guests.
